

## COOL SCIENCE CLUB SENSATIONAL SUMMER PROGRAM FOR YOU ENTERING 1ST GRADE— EXITING 6TH GRADE

### THE CASE OF THE MISSING TED WILLIAMS PHOTO JULY 6TH— 10TH

#### **Wanted: Detectives Needed!**

#### **CSC is hot on the trail of a new case...**

The Arthur Griffin Museum is looking for detectives to help them solve the Mystery of the Missing Ted Williams photo. The museum curator, Paula Tognerelli, was shocked to find this famous photo was missing the same day that the astronomer, Haley S. Comet, was dismantling the Starry Sky exhibit. Paula is also wondering about the plumber, Rusty Pipes, who was working on the water wheel earlier in the day. The Winchester police once again have asked C.S.C. detectives to solve this mystery. Don't miss this exciting, science experience, as we visit the Griffin museum on July 6th to gather evidence with Detective Pierce.

### A TYPICAL DAY FOR THE DETECTIVE

8:30 Sign in and welcoming activities

9:20 Observation games: fun, scientific activities

9:30 Examining a classroom crime scene

10:30 Snack

11:00 Online website mystery

11:30 Fingerprinting Fun

12:00 Lunch and games

Andrea Coogans physical education team building activity

**\* Belmont Habitat arrives for 1st and 2nd graders.**

12:45 Visiting an onsite crime scene

1:45 Special guests or activities

2:30 Return to cafeteria for dismissal

### MYSTERY WEEK JULY 13TH— 17TH

The second week of the program will be all about the mysteries of science. Each day will focus on a different mystery, and five different activities based on the topic. The detectives will be engaged in these activities to help build an understanding about the scientific concepts.

- Monday— Mystery of Electricity
- Tuesday— Mystery of Matter
- Wednesday— Mystery Museum Trip
- Thursday— Mystery of Space
- Friday— Mystery of Chemical Reactions

\* At 1:00, Belmont Habitat arrives for first and second graders.

Your child may attend one week, or both weeks. Please indicate which weeks he/she will be attending.

### CAMP PROCEDURES

Camp starts at 8:30 am, July 7th and ends on the 18th. Registration **before 4/15 is \$285**. After 4/15, registration is \$300. The prices in the brochure are based on price per week. Your child may attend one week, or both weeks.

Drop-off is at the back of McCall— Manchester field, up the stairs to the cafeteria. Campers must bring a lunch and a drink. We will provide the snacks. **Monday only, registration is in the cafeteria at 8:00am.**
